Color & Materials

Completely cover the paper with color, minimizing white space.

Paint, markers, oil pastels and paper collages are all very effective.

Avoid light pencil, light crayon, and florescent or metallic materials.

If using dark paper make sure that you use very bright colors that stand out for the best reproduction.

What to Draw

Let your imagination run wild! We have lots of [art lessons](#) on our website!

We accept only original artwork. We are unable to reproduce trademarked items such as Sponge Bob, Mickey Mouse, etc.

Keep important elements like names at least 1/2" from edge of art. Slight cropping occurs on some products.
