

Coming Soon to our School!... a fundraiser with heART!

We are partnering with SilverGraphics to celebrate creativity and raise needed funds for our school! You will have the opportunity to order your child's art printed on a wide range of products like magnets, face masks, ceramic mugs, canvas totes, and ornaments. Items will ship home in time for the holidays. These make great mementos and unique gifts for family and friends!

Our school will have a private Online Art Shop for you to order from submitted art and/or upload your child's art and place your order. One of the best features is that you can upload as many pieces of art at you like, something your child has created in art class, a piece of art from the past, a new drawing, or all of the above. Sibling art, family projects, and photographs are also accepted!

Now's the time to select your art and/or start a new project! Go through those art bins and find the pieces you love the most. Take time to review SilverGraphics Guidelines for Creating and Uploading Art where you'll find art tips and specific instructions on how to get your art into digital format for uploading:
